Mr. Fred L. Willie

Montpelier, ID 83254

Dear Mr. Willie:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request you not apply for registration with the Boy Scouts of America.

You should understand that B.S.A. membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to deny registration whenever there is a concern that an individual may not measure up to the high standards of membership the B.S.A. seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a B.S.A. member should be granted. The procedures for review are attached.

Sincerely yours,

Council President

Dear Neil:

I am enclosing another Confidential Record Sheet which I would like to have completed, so we can identify Mr. Willie. Please complete this with as much information as is available, so that we have the necessary information should he attempt registration somewhere else in the country.

If you have any other more recent material related to him, we would also like this as this would aid in making a stronger file. Otherwise, the receipt of the Confidential Record Sheet should complete our file.

Sincerely,

Paul Ernst, Director

PERSONAL AND CONFIDENTIAL

SUBJECT: Fred L. Willie

Dear Neil:

You sent me some material last October related to the above named individual. At that time, I wrote to you and sent a Confidential Record Sheet which I would like to have completed. We need this form if we are to be able to identify Mr. Willie in any other local council. We would also like a paper with his signature, if you have this available, as this would aid in the identification process.

We would like a copy of the letter which you mailed to Mr. Willie, so that we have this in our file for the future. As I indicated in my previous letter, you could indicate that he was no longer eligible to be registered with the Boy Scouts of America.

I believe the receipt of these two pieces of information would give us a complete file which would enable us to refuse registration anywhere in the country.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

PERSONAL AND CONFIDENTIAL

SUBJECT: Fred L Willie

Dear Neil:

Thanks for the information concerning the above named individual. I feel this is most helpful to us in starting a Confidential File. The information you received certainly would warrant placing Mr. Willie on our Confidential File, so the registration could be refused in the future. He must request a review and prove that he is not guilty before we again register him.

I am enclosing a Confidential Record Sheet, which I would like to have completed, so we may identify him should he move somewhere else and attempt registration. We would like a paper with Mr. Willie's signature, as this aids in the identification process.

I believe you should send Mr. Willie a letter indicating that he is no longer eligible to be registered with the Boy Scouts of America. This could be indicated rather than using the first sentence of the recommended letter. He would then have the option of a review if he requested this.

Once we receive the information you have indicated we will have a complete file.

Sincerely,

Paul Ernst, Director

Dear Paul:

On the advice of Richard Harrington I'm sending a copy of my notes and letter concerning a Fred L. Willie. He has been registered with a Scout troop in our council both as Scoutmaster and Assistant Scoutmaster but is not currently registered. Mr. Harrington thought we should submit his name to you so proper action can be taken should he endeavor to register again either in this council or another council. Thanks for your help.

Sincerely,

Neil

CONF012736

11:20 a.m. Oct 24, 1988

Received a phone call from Brad Allen Scout Executive of Tendon Area Council telling me of a possible child molester who lives in Montpelier by the name of Fred Willie. He said a former Law Enforcement officer named George Shael was acquainted with the case. I talked to Mr Shael who related an incident 3 or 4 years ago about a boy who was molested by Mr Willie on Bear Lake. Because of the laps of time and the fact that Mr. Willie had moved nothing was done about it. He told me that while Mr Willie owned a service station in Pocatello he always had boys around. "He would show them pornographic photos." Mr Shael said after reviewing the youth protection material produced by national ~~the~~ Mr Willie fits all the descriptions of a pedophile.

~~Since so long a time had lapsed and no charges were file~~
I called Boyd Fries to ask his advice. ~~He called me~~
back and said Richard Harrington told him we have no choice but to deliver the letter if the accusation had been made.

10/26/88 - 3:00 pm I called Richard Harrington to tell him I had discovered that Fred B. Willie was no longer registered with BSA. His registration expired 2/28/88. I asked if I should still deliver the letter? He told me to write Paul Ernst to explain the situation and send copies of all the information I had so Paul could perhaps enter the man's name on the confidential list.
